Recommendation

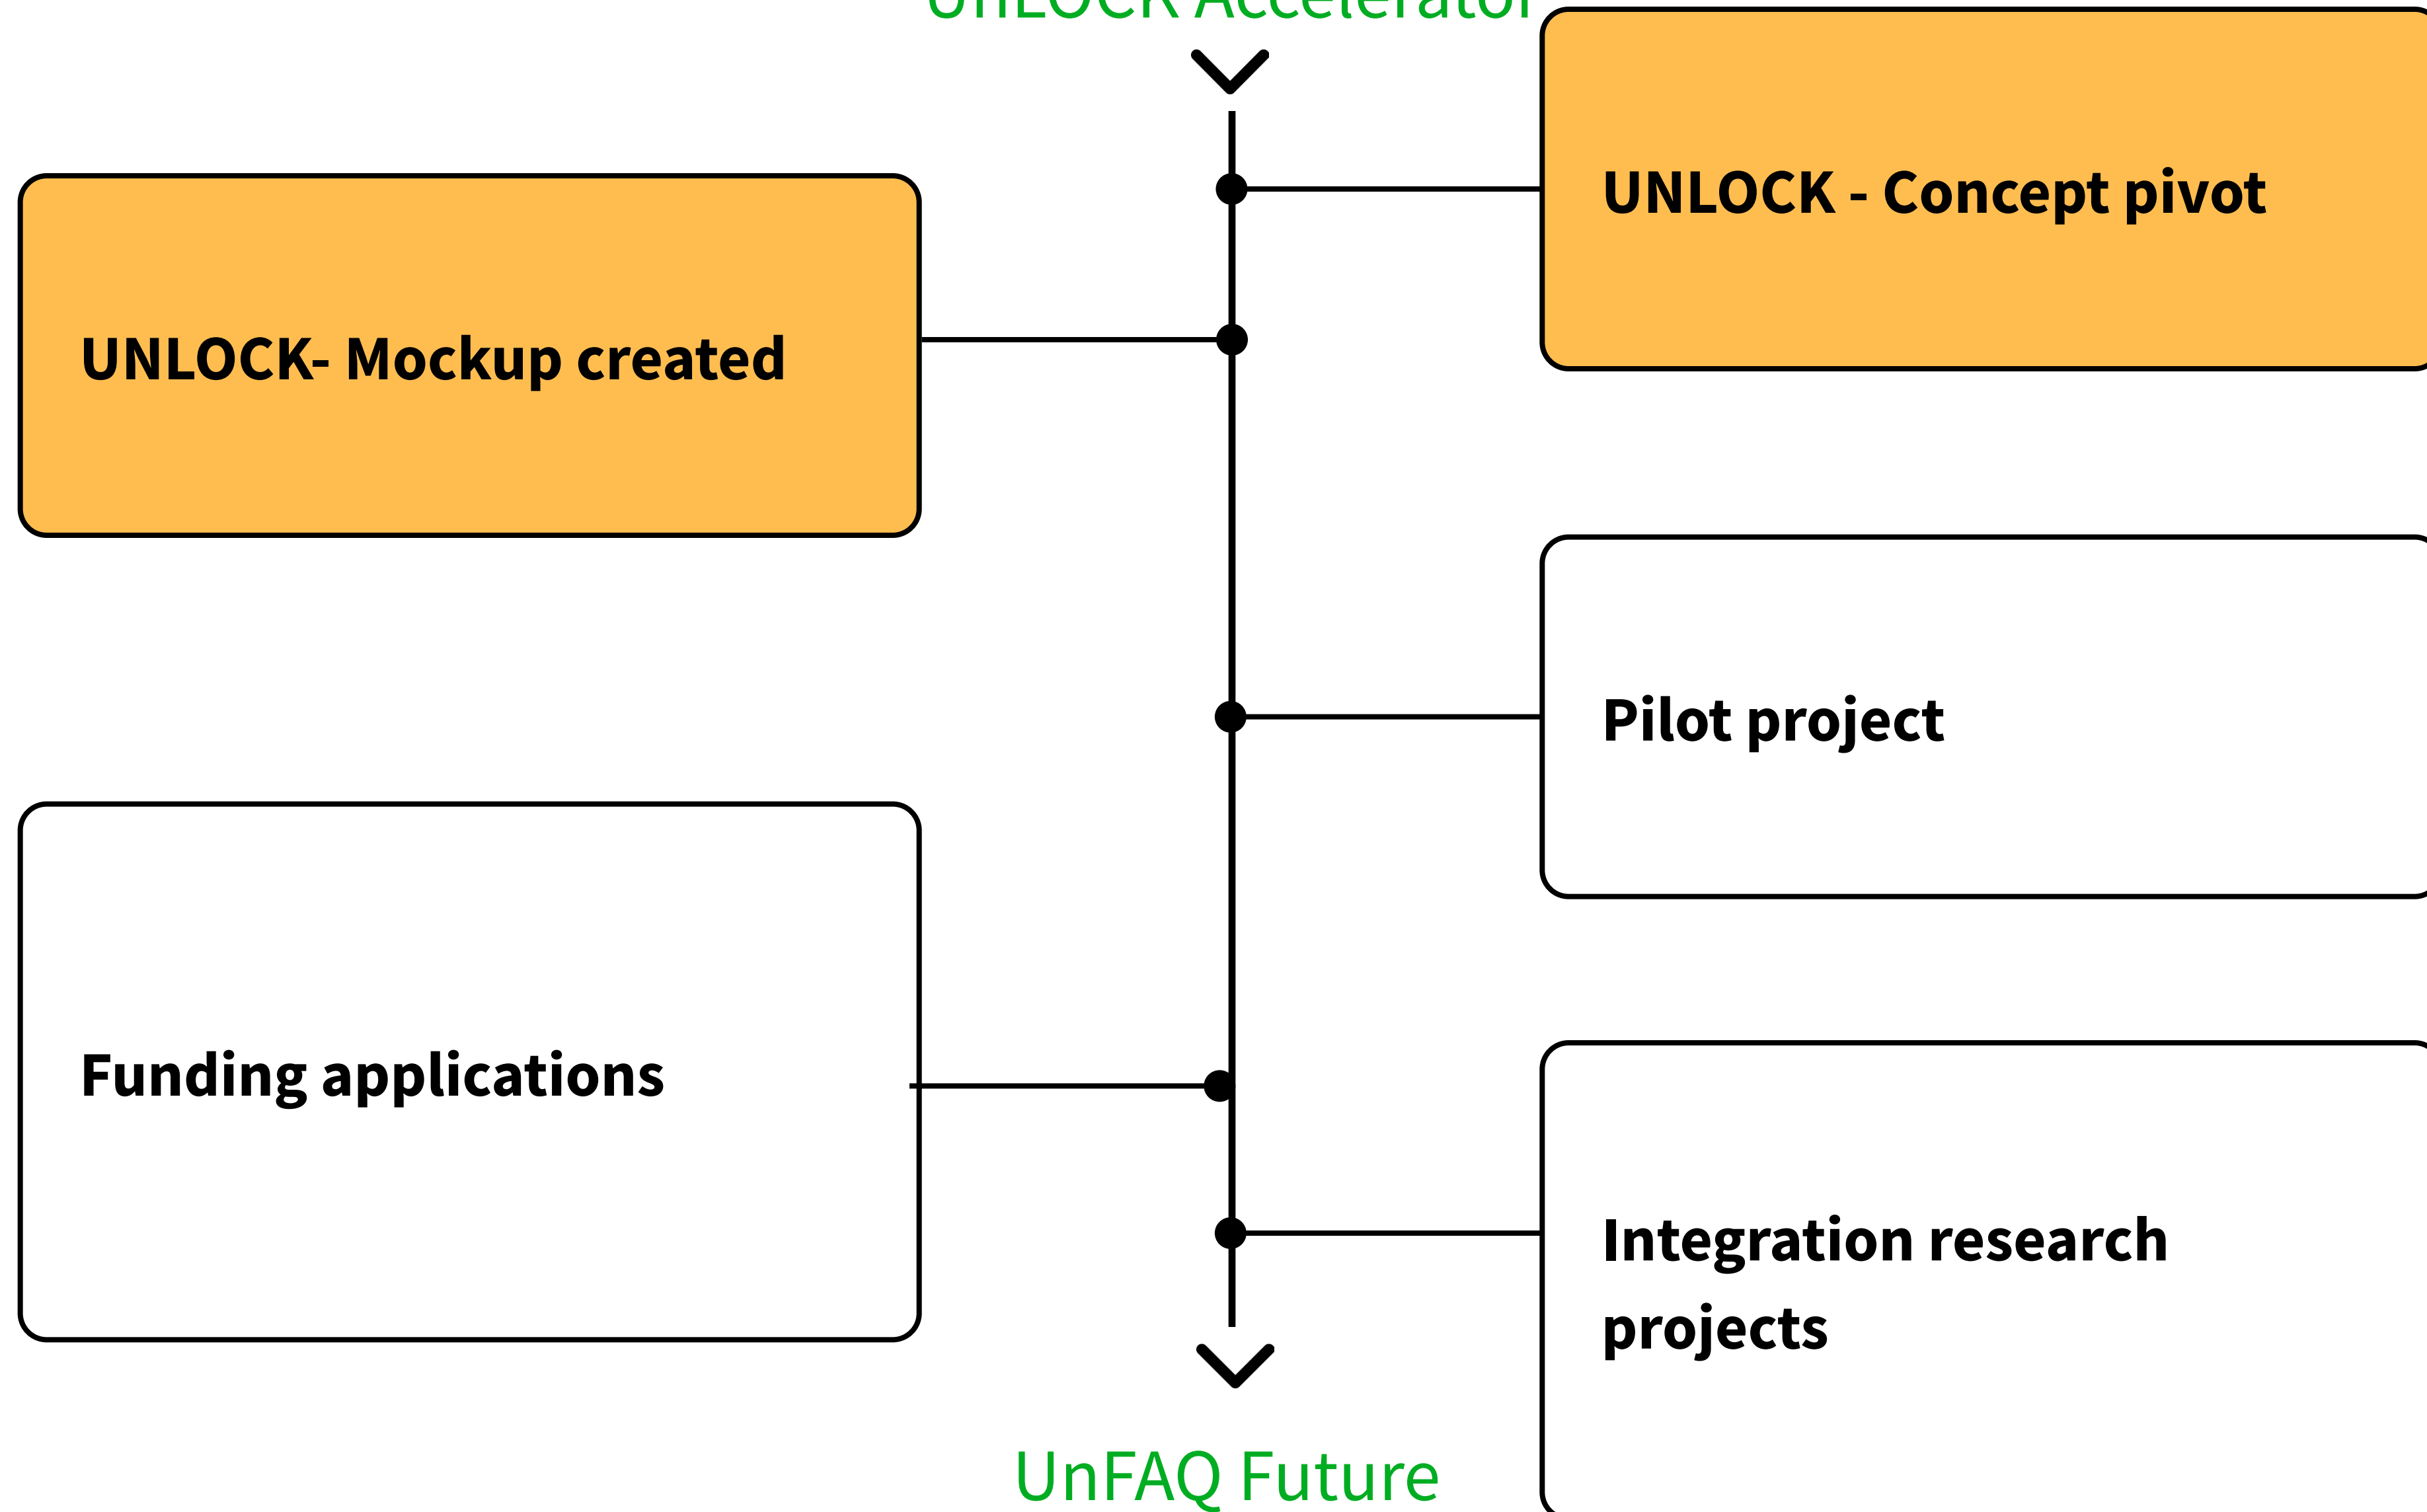

*“I see my old neighbor lift his groceries up the stairs. Normally I would help. Now I am holding back. I feel bad.”*

*“I understand that we couldn’t come together anymore in big groups but why couldn’t they allow us to at least visit in groups of two once a week?”*

*“I lost so much of my income but being able to go to the co-working gave me the feeling I was not totally useless.”*
